

# Reserve Your Flag Today!

Be part of our second annual Honor Flags Celebration! Enjoy an amazing field of flags waving proudly to recognize each of our heroes and honorees!

You can be part of our community's tribute to the heroes in our lives – past and present. This is your opportunity to honor your personal hero. It could also be a teacher, coach, mentor, community leader or anyone else who has been a hero in your life, or a member of the military or police, fire department or other first responders who put their lives on the line for us every day. Each unique flag that you sponsor will have a medallion attached to it that recognizes the specific hero or honoree you are celebrating.

The Honor Flags celebration is presented to the public by the Hearts for Children Foundation, Inc. to create and build an annual community event that acknowledges those who have positively influenced our lives. Depending upon the demand, up to 500 – or more – full size (3' x 5') American Flags will be flown on 7-foot flagpoles in the Field of Honor which will be located on the grounds of the Wake Forest Historical Museum on 414 North Main Street. The individual or corporate sponsor will be able to recognize one honoree for every flag adopted. A medallion will be hung on a flagpole with the name of the adopter, the honoree's name and a brief comment about the honoree.
