Rotary Club of Beaumont

The Show Your Colors Flag Project is a joint effort between the Rotary Club of Beaumont and the Boy Scouts. On six designated flag days during the year, our Rotarians will place a flag at the curb in front of your home. At the end of the day, the Boy Scouts will pick it up for you.

All you need to do is fill out the application and return it to the Rotary Office with payment* before the next holiday. The residence or business receiving delivery of a flag must be within the Beaumont city limits, with Northwest Forest being the farthest west

Funds from this project help the Boy Scouts participate in Scouting activities and fund the many activities of the Three Rivers Council. The Rotary Club of Beaumont uses its funds for literacy projects with children at Martin Elementary, provide college scholarships, host high school educational opportunities like Camp RYLA, and support numerous other projects benefitting our community and mankind through Rotary International.
