

WOOSTER AND SMITHVILLE AREA PARADE OF FLAGS

Sponsored by Wooster Rotary Club

Please have orders in ASAP

Dear Flag Subscriber:

Thank you for supporting the Rotary Parade of Flags Program. This past year ended with over 2,000 flags flying high displaying patriotism, community pride, and a tribute to our military. It is hard to believe that flags have been flying for over a full decade. To date, over a hundred thousand dollars has been earned by local non-profit groups placing the flags. The groups include Boy Scouts, Girl Scouts, 4H Clubs, Wee Care Preschool, Lions Club, and many school groups. In addition, we have over 100 flags out as a tribute to our country in various locations like the school buildings, municipal buildings, non-profit buildings, Wooster cemetery, and entrances to the city. As you know, the program supports Rotarian initiatives including high school scholarships, Veteran projects, literacy programs, community projects, and the student-exchange program.

Thank you for your patience as we transitioned our ordering system last year. The Rotary Flag Project is up and running with the new website, which should continue to make ordering online easier. You can now pay via credit card without creating a paypal account. You can order your flag by going to the following website and clicking on the order/renew flag link on the left hand side of the page:

www.woosterrotary.org

Like last year, the renewal rate is \$35 for all five holidays. We welcome online subscription renewals to save volunteer time. Thank you again for participating in the Wooster-Smithville Parade of Flags program. We hope the new system makes participating in this program easier and more convenient for all!

Sincerely,

The Rotary Flag Committee
