OUR CLUB

Our club gives you an opportunity to join leaders to take action on important issues affecting our community, our nation, and the world. We also have a lot of fun - whether we're socializing or working together on service projects.

Members of our Rotary club connect at weekly meetings and learn from business experts, political and civic leaders, and entrepreneurs, who help us stay informed on topics that are relevant to our community.

AMERICAN FLAG LEASING PROGRAM

Honor Your Country While Supporting Your Community

AMERICAN FLAG LEASING PROGRAM

Our goal is to fill our community with flags, proclaiming pride in our country and honoring the sacrifices made by our forefathers, veterans, and those remaining on active duty, continuing the struggle for freedom here and around the world.

How does the program work?

Subscribers pay an annual fee of \$49. Flags are displayed in your front yard on six national holidays: Memorial Day, Flag Day, Independence Day, Labor Day, Patriots Day, and Veterans Day. A 3x5 foot American Flag is placed on a 10 foot pole and secured in a mount, uniformly placed in your front yard or business. We install and retrieve the flags, prior to and after the national holiday.

What happens to the money?

We purchase the flags, poles, installation gear, replace worn flags, and maintain a storage facility. Our club members volunteer their time to make new flag poles with flags attached, insert sleeves in yards, inspect and maintain the flags, and place them on 6 holidays.

Net proceeds from this, our primary fundraiser, helps the Emmaus Rotary Club support many causes locally and internationally. To learn more about what the club has supported go to www.emmausrotary.org.

Terms and Conditions:

By signing and submitting the subscription form with payment, I give my permission for the Emmaus Rotary Club and its volunteers to place an American Flag mounted on a 10 foot pole in my front yard during Memorial Day, Flag Day, Independence Day, Labor Day, Patriots Day and Veterans Day. The flag will be mounted in a PVC sleeve, inserted in the soil below the grass mowing level. The flag, pole and mount shall remain the property of the Emmaus Rotary Club.
